

**PUI YING SECONDARY SCHOOL**  
Instruction Notes to S1 Discretionary Places (2022 – 2023)

1.	School mission	Our school practises Faith, Hope and Love in Christ to achieve students' full potential. In order to enable students to strive for excellence, we are committed to promoting students' moral, intellectual, physical, social, aesthetic and spiritual development through whole-person education.
2.	School characteristics	<ul style="list-style-type: none"> <li>• <b>Long school history:</b> It has been 142 years since pastor Henry V. Noyes, the founder of our school, arrived in Guangzhou to establish "Pui Ying". This was followed by the opening of the Hong Kong school 84 years ago in 1937.</li>   <li>• <b>Comprehensive courses:</b> Our school carries out small-group class teaching according to students' abilities. STEM education has been implemented for the junior form students while the senior form students are encouraged to take applied learning as electives.</li>   <li>• <b>Diversified activities:</b> In order to broaden students' horizons, we encourage our students to take part in a great variety of extra-curricular activities and study tours. In addition, we emphasise music, sports and art development, Chinese Percussion Team, Symphonic Band, Harmonica Team, Volleyball Team, Rope Skipping Club, and Frisbee Team among others. All the above are award-winning teams in inter-secondary schools competitions.</li>   <li>• <b>Caring for students:</b> To cater for students with diverse learning, we are committed to providing an atmosphere of care, and to promoting caring policies so as to create well-balanced students. Hence, our school has received the Caring Campus Award for eight consecutive years.</li>   <li>• <b>Academic Achievement:</b> Our students have gained outstanding achievements in the Diploma of Secondary Education. Our pass rate of many subjects have surpassed the average in Hong Kong, and countless students have successfully progressed to university.</li> </ul>

		<ul style="list-style-type: none"> <li>• <b>Adaptation for Secondary One students:</b> In terms of support for student learning, we have organized various kinds of learning activities including school orientation week and after-school tutoring programs. Also, we provide e-book teaching, free homework tutorials and English courses. These help students with improved learning skills. With regards to adapting to secondary school life, we arrange a bridging camp and have a dual class teacher policy which enables students to adapt to the new school environment. For families in need of financial support, parent-teacher association gives away clean second-hand school uniforms to their children. An extra-curricular activity support plan is also set up to allow students to participate in any after-school activities for free, including training courses such as music and sports.</li> <li>• <b>Alumni support:</b> Our alumni are eager to contribute their alma mater after graduation. These include donating bursaries, setting up scholarships for advancement to university, serving as activity tutors, sharing their reading experience as well as subsidizing the sports and arts exchange activities. They spare no effort in repaying the school for their own productive experiences in our school.</li> </ul>
